## ADELBERTUS CROES COMPLETES 25 YEARS OF SERVICE SUNDAY

Adelbertus J. M. Croes, Technical - Laboratory - Inspection Section, will complete 25 years of service on Sunday, May 30.

Congratulations!

## LAGO SCIENCE FAIR OPENS IN ORANJESTAD MONDAY

At 4:30 Monday afternoon, (May 31), the 1971 Lago Science Fair exhibition will be officially opened at the Sociedad Bolivariana in Oranjestad. On display will be 36 projects submitted by 58 students from 12 different schools. Of the 36 projects, 22 are individual projects and 14 group projects. They represent various fields of science, such as: biology, physics, chemistry, mathematics and technology. The exhibition will be open to the public until 9 p.m. on Monday, and on Tuesday, June 1, from 3 to 9 p.m.

## MECHANICAL ENGINEERING DIVISION REALIGNS FUNCTIONS

Effective June 1, the Mechanical Engineering Division will be restructured to improve flexibility and manpower utilization, and to permit greater emphasis and faster response to mechanical design and maintenance problems. Major changes within the Division are as follows:

- An Electrical and Instrumentation Section has been formed. H. F. Coffi has been promoted to supervising engineer in charge of this section.
- The Project Engineering Section, which now assumes responsibility for most project management services, will be supervised by D. T. Hamilton, who came to Lago this week from Humble's Baton Rouge Refinery.
- An Engineering Studies and Services Section has been formed, and will be supervised by Ken Oliver.

## CONSTRUCTION AT #9 AND 10 PIPESTILLS

Construction activity is building up for the project "Fractionation Improvement, 9 and 10 Pipestills." In addition to on-site work, there will be considerable activity in the area south of the main refinery road between the Laboratories and blowdown drums. In order to minimize safety hazards, all drivers are requested to abide by the additional traffic signs which are being installed, and to take special precautions whenever passing through the area.

## LAGO PRESENTS FILM ON DIESEL ON TELE-ARUBA MONDAY

On Monday, May 31, Lago will present the educational film, "Diesel, the Modern Power" on Tele-Aruba. The film gives valuable information on the development and principle of operation of diesel engines. The program begins at 6 p.m.

## HOLIDAY CLINIC SCHEDULE AT LAGO HOSPITAL

On May 31, from 9:30 until 10:30 a.m., there is a scheduled clinic for employees and family members with urgent medical problems. For optimal care you are requested to adhere to these scheduled hours. For absolute emergencies a doctor is always on stand-by call.

## NAPACID STILL RETURNED TO SERVICE

The Napacid Still is back on stream today after ten days downtime. One of the main jobs was to refill the packed tower with new 3/16" stainless steel pall rings.

## SEROE COLORADO SERVICE STATION SCHEDULE ON WHITMONDAY, MAY 31

The Seroe Colorado Esso Service Station will be open from 9 to 11 a.m. on Whitmonday, May 31.

## DISTRICT FINALISTS TO COMPETE FOR MISS TEENAGE ARUBA TITLE

Eighteen district finalists will participate in the Miss Teenage Aruba Contest to be held at the Holiday Inn Hotel on Sunday, 8 p.m. The winner and her two runners-up will take part in the Miss Teenage Antilles Contest in June.
